

Single/Parallel LSF Cable Cleat, Dual-Bolt

By Hawke
Catalog # P2B-LSF

Cable Cleat, Single/Parallel, Dual-Bolt, LSF

Features

- Low Smoke Performance: Suitable for environments where reduced fumes are critical
- Stronger Cable Hold: Dual bolt design delivers added stability under load
- Balanced Clamping: Even force distribution helps minimize localised stress points
- Versatile Installations: Side and top opening access for flexible placement in tight layouts
- Multi Configuration Use: Supports both single and parallel cable runs
- Proven to Perform: Independently tested to IEC 61914:2021 standards

Specifications

Industry Standard(s)	IEC 61914
Conductor	
Cable Type	Single/Parallel
Configuration	
Orientation	Side & Top Opening
General	
Type	Non Metallic
Material	Non Metallic
